7 April 2017

## Reading Together and Maths Together 2017

We will be offering these two programmes to parents and their child/ren again this year in Term 2.

We hosted a Whanau Hui and a Pasifika Fono in March this year and a number of parents indicated that they want the opportunity to learn strategies to support their children at home with Reading and Maths.

This letter is to invite you and your child to our '**Reading Together**' and '**Maths Together**' programmes at Wainuiomata Intermediate School.

This programme is designed to build learning partnerships between teachers, parents and students. While your child may be receiving extra teaching and learning support at school, there is research that shows children who are supported at home as well' progress better in their learning.

Below are the dates, time and venue for the programme:

- **Reading Together: 10 May, 17 May, 24 May**
- **Maths Together: 1 June, 7 June, 14 June**
- **Venue: Wainuiomata Intermediate School – Staff Room**
- **Time: 6.00 to 7.30pm**

You can attend both the Reading and Maths series or one of them. Places are limited, so get in early.

Please write **your name and your child's name** on the form below and send it back to the school office.

Thank you

Pearl Murti  
PRINCIPAL

---

Please return to the office by Wednesday 12 April 2017.

## Reading Together and Maths Together

We will be attending (please tick):

- *Reading Together*
- *Maths Together*
- Both
