WIS STRATEGIC GOALS 2017-2019

Wainuiomata Intermediate School recognizes the Government's National Education Priorities and has considered the National Education Goals and the National Administration Guidelines in setting its priorities and goals.

Reading, Writing and Mathematics are current curriculum priorities for Years 7 & 8. We have analysed our student achievement outcomes and identified effective teacher practices that will improve and accelerate these outcomes for all learners at our school, but especially for our most at-risk learners.

Our goals are reviewed at the end of each year, and our targets will be reviewed at the end of Term 1 when our start of year assessment data is available.

The following are our strategic goals for the next three years:

Strategic Goal 1: Student Achievement

All learners are able to access The New Zealand Curriculum as evidenced by achievement in Reading, Writing and Mathematics in relation to the National Standards.

Strategic Goal 2: Maori and Pasifika Achievement

Maori and Pasifika learners, supported by their Whanau and families, will experience academic progress and success, and are engaged in programmes which foster pride in their unique identity, language and culture.

Strategic Goal 3: Well-being, Inclusion, Identity and Engagement

All learners will experience progress and success in positive and inclusive learning environments where they are valued, included and have their particular needs met.

Strategic Goal 4: Professional Development and Leadership
