9 March 2017

Kia Ora Whānau and Students

We are hosting two very special hui this month: Our **Whānau Hui on 16 March** and our Pasifika Fono on 30 March. We sent this information home two weeks ago:

Whānau Hui
Thursday 16 March 2017
6.30-8.30pm
Wainuiomata Intermediate
School Hall

*All students, parents, and
whānau are welcome!*
*Come and share food and your ideas
to help create our*
Māori Education Plan.

Our focus for the **Whānau Hui on 16 March** is to understand your perspective on what it means to achieve success as a Maori.

Last year our Māori students did very well not only academically but also in sports, leadership and culture. Our Māori girls particularly were outstanding in their achievements but some groups, mainly boys, did not do so well.

We would like to work with you to consider strategies and actions which would replicate this success and improve the engagement and achievement of all groups of students, especially our boys, and hence the invitation to the hui.

Please come and share some kai and your ideas with us:

- What does success look like for your child?
- What works for your child and other Māori students?
- What do you want the school to do to ensure that all our ākonga are successful?
- What can whānau do to ensure success for all ākonga and support the school?

We hope to see all of you who are available on Thursday evening at our school at 6.30-8.30pm. Everyone is welcome to attend.

Thank you for your support.

Pearl Murti
Principal
