We are a BYOD School although not compulsory we recommend a Chromebook	

NB- There are no stationery requirements for Technocraft classes in 2020. Students are encouraged to have their own **scissors and calculator**

We have teamed up with Warehouse Stationery to have our Stationery list made into packs and can be purchased from the Petone branch for your convenience at a cost of \$20.50. Stationery will be available from 13 January 2020 and the cost valid until 10 February 2020. Please note that the three required exercise books, pictured above, are exclusive to **Warehouse Stationery**. We would prefer that ALL students have these books instead of alternatives. Other items on the list can be purchased elsewhere if desired. Chromebooks are not compulsory.

Please Turn Over

We have also teamed up with OfficeMax My School to have our BYOD and some stationery requirements loaded up on to **myschool.co.nz**

Simply search for our school, select your child's Year level for Stationery or click Order BYOD Products and follow the instructions on the website.

Please note this is not compulsory but maybe a convenient way to have your purchase delivered to your home address.
